Re: Gholamreza Mikailli
Docket No.: CR 3:02-00136-01 SI
TRAVEL REQUEST

Your Honor:

On September 24, 2004, the offender was sentenced by Your Honor to 51 months custody and three years of supervised release for 10 counts related to and including Securities Fraud, False Filings, False Statements, and False Books and Records. The following special conditions of supervision were ordered: Special assessment \$1100; restitution \$950,000; fine \$50,000; access to financial information; no position of fiduciary responsibility. Supervision commenced on September 20, 2008. Mr. Mikailli has paid his special assessment, restitution, and fine in full.

Mr. Mikailli is requesting permission from the Court to travel to Iran in late October. His mother is ill with Alzheimer's disease and he has not seen her in several years. While it is not typical that the probation office would support such a request this early in an offender's supervision, it does appear to be a special circumstance.

The undersigned recommends that travel be approved.

Respectfully submitted,
